OMNISCIENCE

*CELESTIAL REALMS PART AND IRIDESCE,
BEQUEATHING ENLIGHTENMENT TO THE BEHOLDER.*

You've probably had BSC drop for you in another league.
You probably didn't even pick it up. It's never been good before.
It is good now. 600 players of level 98+ have this item
equipped in Archnemesis Trade Softcore. 221 are level 100.
This is entirely due to Crystallised Omniscience.
Black Sun Crest can be as much as +45% Omniscience.

How Far Should You Go Divine Orbing a Black Sun Crest?

3 ROLLS THAT MATTER: %STR, %DEX, %INT

- You only care about the sum
- These can be modelled mathematically $3d11+12$
- Sum of 45: 1 in 1331
- 44+: 1 in 332
- 43+: 1 in 133
- 42+: 1 in 66
- 41+: 1 in 38
- 40+: 1 in 24
- 39+: 1 in 16
- 37+: 1 in 8
- 33+: 1 in 3

REMEMBER: THE THREE-FOR-ONE

- For bad or mediocre rolls (32 and lower) they are no more valuable than a minimum roll.
- You can vendor 3 BSCs for a BSC back, it's like using a divine orb. Currently not worth it in trade but this might change.
- Also, current prices are pretty bad in trade league for divining this item in general. I got this one for an exalt (someone's Vaal Temple drop) -1 in 38 roll and 2 good corrupts together.
